

When you're prescribed PAXLOVID, PAXCESS is here to help

The PAXCESS Patient Support Program offers:

Identifying financial assistance options

Program enrollment (if eligible)

PAXCESS representatives

For eligible commercially insured patients

You may pay as little as **\$0*** for your PAXLOVID prescription.

*Eligible commercially insured patients can save up to a maximum of \$1,000 annually. [Terms and conditions](#) apply.

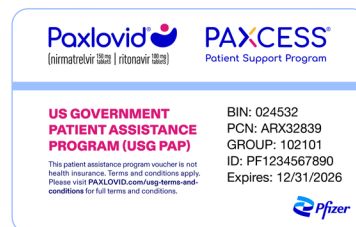

and

For eligible Medicare, Medicaid, and uninsured patients

You may get PAXLOVID for free[†] through the US Government Patient Assistance Program (USG PAP), operated by Pfizer.

[†]Eligible government insured and uninsured patients can access PAXLOVID for free through December 31, 2026. The USG PAP operated by Pfizer is an independent program with separate eligibility requirements offered by the United States Department of Health and Human Services and is not owned by Pfizer. [Terms and conditions](#) apply.
